## Conference Overview

This two day course provides in-depth coverage on the pitfalls or mistakes that are commonly encountered in daily diagnostic pathology and intraoperative frozen section consultations, and the best practice approaches to avoid these mistakes in a format of didactic lectures and case-based presentations. The course will be presented by national experts across all subspecialties of diagnostic pathology. The course will address the questions and challenges and provide the updates and pearls in diagnostic pathology that practicing pathologists encounter in day-to-day practice, help the practicing pathologists to avoid the commonly encountered diagnostic errors and become proficient different subspecialties, and help residents and fellows with their subspecialty board exam preparations.

## Intended Audience and Conference Objectives

This course is intended primarily for practicing pathologists, fellows, residents and other health care professionals. At the conclusion of this course, participants should be able to:

- Recognize the pitfalls or mistakes that are commonly encountered in daily diagnostic pathology and intraoperative frozen section consultations in different organ systems
- Learn and apply the best practice approaches to avoid the commonly encountered diagnostic pitfalls or mistakes in daily practice
- Demonstrate improvement in diagnostic skills in problematic cases

## **Accreditation**

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the Lewis Katz School of Medicine at Temple University and the Chinese American Pathologists Association (CAPA). The Lewis Katz School of Medicine at Temple University is accredited by the ACCME to provide continuing medical education for physicians

The Lewis Katz School of Medicine at Temple University designates this live activity for a maximum of 13.5 *AMA PRA Category 1 Credit(s)*<sup>™</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
